OVERVIEW

What is NPRA?

The National Pharmaceutical Regulatory Agency (NPRA) is the regulatory body under Malaysia's Ministry of Health responsible for ensuring the quality, safety, and efficacy of cosmetic products in the Malaysian market.

OUR FOCUS

Cosmetic Product Registration

Skincare Products

Moisturisers, serums, sunscreens, cleansers, toners, and anti-aging products.

Haircare Products

Shampoos, conditioners, hair treatments, styling products, and hair colouring.

Colour Cosmetics

Foundations, lipsticks, eye shadows, mascaras, blushers, and nail products.

Personal Care

Fragrances, deodorants, body lotions, bath products, and oral care items.

WHY IT MATTERS

Why NPRA Registration is Crucial

Consumer Safety

Meets stringent safety standards for public health.

Legal Compliance

Avoid penalties, seizure, and prosecution.

Market Access

Access Malaysia's 32M+ consumer market.
